Consent to Publish Data for Research Purposes

Wüstenrot poisťovňa, a.s. hereby consents to the publication of the aggregated daily data described below, to the extent marked in Section 3.

1. Parties

Data provider: Wüstenrot poisťovňa, a.s., Digital Park I, Einsteinova 21, 851 01 Bratislava, Slovakia, Company ID: 31 383 408, registered in the Commercial Register of the District Court Bratislava I, section Sa, file No. 757/B, represented by Mgr. Peter Rusnák and Ing. Marian Hrotka, PhD., Members of the Board of Directors acting jointly (the "Insurer").

Data recipient: Mgr. Renáta Rusnáková, Technical University of Košice, rusnak.renata@gmail.com (the "Author").

2. Subject of the consent

The consent covers the file `qrc_daily_dataset.csv`, which the Insurer provided to the Author for the research project *Hardware-Aware Design and Layout Selection in Quantum Reservoir Computing for Insurance Claims Forecasting* and the related article submitted to IEEE Transactions on Quantum Engineering.

Item	Description
Scope	motor third-party liability insurance (MTPL), passenger cars, excluding package "5 - AAA"
Period	1 January 2021 – 31 August 2026, one row per day (2069 days)
Aggregation	daily totals for the whole portfolio; no data on individual clients, policies or claims
Claims	total, property damage, bodily injury, loss of profit
Portfolio	active policies; policies by policy age (0, 1–3, 4+ years); policies held by legal entities; mean vehicle age
Calendar	day of week, weekend, public holiday, working day

The consent also covers the derived data (`daily_claims.csv`: daily property-damage claims, active policies, calendar) and the model results.

3. Scope of publication

The Insurer agrees to the following option (tick one):

- ☑ **A – Full publication.** The file `qrc_daily_dataset.csv` and the derived data may be made publicly available in a public repository (e.g. GitHub, Zenodo) and referenced in the article.
- ☐ **B – Without selected columns.** The file may be published without these columns: .....
- ☐ **C – Derived data only.** Only `daily_claims.csv` and the model results are published; the original file is available from the Insurer on reasonable request.
- ☐ **D – No data publication.** The data may be used only as results in the article (tables, figures, summary statistics).

Under every option, the Author may publish the article, including figures of daily claim counts and active policies.

4. Licence and naming of the Insurer

Licence of the published data (tick one):

- ☑ Creative Commons Attribution 4.0 (CC BY 4.0) – reuse with attribution
- ☐ Creative Commons Attribution-NonCommercial 4.0 (CC BY-NC 4.0) – non-commercial reuse with attribution only
- ☐ other: .....

Naming of the Insurer in the article and repository (tick one):

- ☐ by name: “Wüstenrot poisťovňa, a.s.”
- ☑ anonymously: “a Slovak insurer, MTPL for passenger cars”

Required acknowledgement or disclaimer (leave blank if none):

.....

.....

5. Declarations

By signing, the Insurer confirms that:

1. the data in Section 2 are aggregated daily counts and contain no personal data within the meaning of Regulation (EU) 2016/679 (GDPR) or Slovak Act No. 18/2018 Coll.;
2. publication in the scope chosen in Section 3 breaches no confidentiality obligation or contract binding the Insurer, and the Insurer does not consider it a disclosure of its trade secrets;
3. the persons signing this consent are authorised to act on behalf of the Insurer;
4. the consent is free of charge and given for an indefinite period; a withdrawal does not affect articles and repository versions published before it is received.

The Author undertakes to use the data for research purposes only, to name the Insurer as chosen in Section 4, and to send the Insurer the repository link and the article text before publication.
